About Gadabout Travel:

We are a full service agency with over 20 years in business. Gadabout Travel is the leading travel agency serving the communities in the Space and Treasure Coast areas of Florida. We have been around since 1981 and our locations are staffed by professional and certified travel consultants with well over 200 years of collective experience in travel planning.

You can use our website to research destinations and plan your perfect vacation 24 hours a day, 7 days a week. Have comfort in knowing that our experienced staff will review your booking. At any time in the process you can contact us via email or phone to get answers to your questions. No matter what your individual or group needs are - group travel, cruise travel, incentive travel, travel fund raisers, tours, air tickets, hotel, and car rental - Gadabout Travel can handle it!

Travel with Confidence. We are still a "full service" agency with a commitment to service. You can always stop into one of our offices to meet staff face to face. We are here to offer you our expertise and support. We will guide you on your quest to find the perfect vacation.

Gadabout Travel offers business clients with meetings and event planning, incentive travel, as well as client appreciation programs. Our Corporate Travel Division has had a steady growth due to frustrations of our business clientele that at one time booked their travel on line. They of course realize that "time is money" and left the reservations to us. Our "Travel for a Cause" fund raiser program has raised tens of thousands of dollars for local charitable organizations.

Whatever your travel needs, Gadabout Travel is here to serve you!
